August 6, 2019

Dear Parents/Guardians and Incoming Freshmen:

I hope that this letter finds you and your family enjoying a safe and relaxing summer. As the start of the new school years draws closer, I wanted to take this opportunity to share some important information about our opening week.

The first day of school for all incoming 9th grade students will be taking place on Thursday, September 5th. We will be running a half day schedule for 9th grade students for orientation programming (*see attached schedule*). The goal for this day is to provide all 9th grade students an opportunity to become acclimated to the high school setting without any other high school students in the building. All students will attend an introduction assembly; have an opportunity to meet their teachers, and try out their lockers. Students will have 10 min. lunch periods where they will be given a bag lunch before they are dismissed at 11:00.

It is my pleasure to welcome all incoming ninth grade students and their families to Dryden High School. Please feel to contact me at 844-8694 with any additional questions and or concerns.

Respectfully,

Kyle Colunio
DHS Principal
